FROM THE PRESIDENT'S DESK

Hello Maryland Clubwomen,

As I sit here writing this message about winter and all the flurry of activity of our clubs to add sparkle to the lives of others, it is a bit difficult to imagine the cold snowy days ahead of us. However, those days will be here before we know it. Our clubs are back for the new year with full agendas of how they plan to improve the lives of others in their community.

Our September Board of Directors meeting at the Comfort Inn and Conference Center in Bowie, Maryland was well attended. Our members had an opportunity to meet new friends and greet others they have known and worked with many times. This president was delighted with the energy in the room and the cheerfulness of all the attendees and we proceeded with our meeting. Chairmen shared new ideas of projects for clubs to endorse to serve the needs of their communities. We were delighted to welcome as our speaker, Susan Cleveland, the GFWC contact for the USO, who shared some history of the work of the USO as well as new ideas how local clubs could

help meet the needs of our service men and women both during their time of service and after they return to civilian life. This president has chosen as her special project, Military Families, so these ideas will be of benefit to clubs for this administration.

GFWC Maryland was well represented at SER in Winston-Salem, North Carolina. Reno Eitel represented our Maryland Federation as SER Treasurer. Maryland Clubwomen signed up for the first ever SER LEADS seminar. What a wonderful opportunity to learn more about GFWC.

This issue of The Maryland Clubwoman includes information you will need for the reporting of your club successes during the past year. Each and every club has awesome members who work so hard to improve the lives of so many. There are many Clubwomen who should be nominated for the Outstanding Maryland Clubwoman award. Check out the necessary forms in this issue as well as on the GFWC MD website <https://www.gfwcmd.org> to use for this honor. Also, all clubs are encouraged to submit the name of someone from your club as a LEADS candidate. Babs Condon, our Maryland LEADS chairman, is anxious to receive your nominations.

As we as enter this holiday time of year with Thanksgiving and Christmas activities we all need to take time to be with our families and count our many blessings as the Sparkle in our own lives. Remember the service men and women who are away from their families during this special time of year.

In Federation Friendship,

Dottie Gregg

FROM YOUR JUNIOR DIRECTOR

Dear Federation Sisters,

I am writing this as we start the Fall Season. It is just starting to get cool and the leaves are changing. Soon the leaves will have fallen and we will start the winter season. I know everyone will be enjoying the excitement of the Holidays and have many activities to keep them busy. With winter's arrival and maybe a slowdown, often times we take in the stark beauty winter brings and remember how very blessed we are.

Our Maryland Juniors have been hard at work this fall and I'm sure they are looking forward to the calmness winter can bring. We just held our Junior Fall Conference. On the Nor-Easter Saturday of October 27th we were at our beautiful HQ House in Washington, D.C., the wind and rain did not stop us from having a wonderful event. This conference was hosted by the Westminster Juniors. We had a conservation activity to learn more about our National Parks, a membership ice breaker activity, and decorated our Maryland Christmas Tree for display at HQ. We made goodie bags for breast cancer awareness and wore our pink. We had information and goodies from the National Wildlife Foundation to give to schools and a Boys & Girls Club. We also supported two of the Seven Grand Initiatives, Dr. Seuss Books and the Capital Campaign. Everyone received handouts from the Advocates for Children Chairman who brought us ideas to share with our club members. I am so proud and excited that we were able to work hard to accomplish something, not merely to exist.

In January every year we travel to Florida for a much-needed break to warm my family up and rejuvenate us for the rest of winter. As nice as it is to get away, I look forward to returning home and seeing what my fellow clubwomen have been up to. There is the Super Bowl to get ready for, along with award shows, celebrating birthdays and just resting in the warmth of a cozy home with a good book and a bowl of soup or chili. It is the time for working together to make a difference and reporting on all that we have accomplished. I look forward to seeing how each Maryland Clubwoman strives to conserve, work on the Seven Grand Initiatives and come together to show off their hard work in keeping Maryland safe and beautiful.

I hope you will join us February 2, 2019 at the Chevy Chase Clubhouse in Chevy Chase, Maryland, for our Mid-Winter Rally. This day will be sure to warm you up as Chevy Chase will be hosting and we are planning some fun activities. Hope to see you there!

Warm Wishes and Hugs,

Andrea Lilly

JUNIOR FALL CONFERENCE

The members of GFWC Maryland gathered for a wonderful day of friendship and projects. The theme for the day was “Think Pink and Go Green” and as you can see we wore our pink well and went Green for our projects. We held our meeting at GFWC Headquarters in Washington, D.C. What a wonderful place to hold our conference, the history and feel you get from this home is amazing. Members learned about the national parks and then about Maryland state parks. We received a large box of goodies from the National Wildlife Foundation and distributed to various school classrooms and a Boys & Girls Club. We participated in making birdfeeders out of pumpkins and toilet paper roll tubes. We had a membership ice breaker activity on “which way are you bent”, learning associated personalities with animal types. Turns out, we were very diverse! Attendees also learned about Advocates for Children Special Project ideas from our Junior Chairman, and handouts were provided for each member to take back to their clubs. We had so much fun decorating the state Christmas tree that is to be displayed at Headquarters in the Festival of Trees. We also stuffed pink ribbon bags with Breast Cancer Awareness items to distribute to family, friends, and a cancer care center for women.

In keeping with Madame President’s Seven Grand Initiatives, we were able to donate 44 Dr. Seuss books and, with all the Junior Clubs giving a donation, we were able to donate \$125 toward the Capital Campaign Fund – Wow! What an amazing day for all involved.

GFWC SOUTHEASTERN REGION MEETING

Maryland Federation members were inspired, educated and entertained at the SER 2018 Conference held in Winston-Salem, North Carolina. The theme of the conference was “Reaching Across the Region”. They had an opportunity to attend a LEADS educational program which shared many ideas and methods for them to become better leaders in our Federation. The conference began with the thought of the day, “Make Each Day Ridiculously Amazing”. Each speaker shared ideas, approaches, and information to make each conference day

attain this goal for attendees. Attendees were informed of the work the GFWC officers were doing as well as the history of Winston-Salem. Ideas for supporting the Domestic Violence initiatives and GFWC President’s Seven Grand Initiatives were shared. Ideas for Fundraising, Legislative Action proposals by GFWC, communication tools, increasing membership methods were shared. To support the reaching across our region, each state president was given a bear to take to as many of our 7 states as possible. GFWC President, Mary Ellen Brock, remarked on the decline in membership in all philanthropic organizations noting that today there was a notable lack of interaction between people. She noted that until this attitude changes our Federation members must become more innovated in their approaches in fund raising, club meetings, and seek both senior and youth, working women and retired women for membership. She stressed that clubs must increase their visibility within their communities. Her final thought was “a bend in the road is not the end of the road unless you do not go around it”. Humor pervaded the entire conference. Come to our state convention in April and next year’s SER, where you too can learn while being entertained.

MID-WINTER RALLY

Mid-Winter Rally is to be held on February 2nd, 2019, with a snow date of February 9th. Full of fun activities, Mid-Winter Rally will be hosted and held at GFWC Women’s Club of Chevy Chase, Maryland.

This issue includes the GFWC Maryland Informational Sheet and Application for the GFWC Leadership, Education, and Development Seminar (LEADS). Each year, our state selects one candidate for this enriching program held the day before the GFWC International Convention begins. GFWC contributes to the attendee a stipend of \$250 and one-half (1/2) of the room charge for two (2) nights at the official convention hotel. Additionally, the Maryland Federation contributes \$300 towards the attendee's expenses. Please consider applying yourself or encouraging someone from your club in whom you see leadership potential to apply. I can assure the attendee will find the program a rewarding experience.

The deadline for applications is February 1, 2019, and though only one is selected, we hope to receive many applications from which to choose. My contact information is on the form. Please do not hesitate to contact me if you have any questions.

Babs Condon
Maryland LEADS Chairman

GFWC Maryland Federation of Women's Clubs, Inc. Leadership Education and Development Seminar (LEADS)

GFWC initiated the Leadership Education and Development Seminar, LEADS, for the purpose of finding, training and encouraging clubwomen from the grassroots level to step up, pursue, and accept leadership opportunities at all levels of Federation. Participation in LEADS can help these members gain the capabilities, confidence and commitment necessary to pursue and achieve a higher office and serve with distinction. It is held on the day before the official opening of the GFWC Annual International Convention.

Criteria for LEADS Participation

It is highly recommended that each LEADS candidate meet the following criteria:

- Demonstrates leadership capabilities at the club level as a club project committee member or chairman, club officer, an incoming or active club president.
- Exhibits a commitment to the Federation.
- Exhibits an understanding of the GFWC mission of community service, illustrated by programs and projects in which she is or has been involved.
- Demonstrates leadership skills, including, but not limited to, organization, responsibility, trustworthiness, enthusiasm, and flexibility.
- Exhibits an interest in and willingness to pursue higher leadership positions in district or GFWC-MD.
- Agrees to share information gained from participation in LEADS with others in the State/District.
- Understands and accepts potential expenses involved in participation.
- Has not held elected positions at or beyond the state level. (This criterion is recommended in order to encourage potential leaders at the club level to apply.)
- Has not attended a previous LEADS program. Members are eligible to attend GFWC LEADS Seminar only once.

Anyone who is interested in LEADS is encouraged to apply using the GFWC Maryland LEADS Application which follows. The application is also available on the state website <https://www.gfwcmdweb@gmail.com>. My contact information is at the bottom of the application. Please contact me if you have any questions.

OUTSTANDING MARYLAND CLUBWOMAN AWARD

This award's purpose is to honor one member each year who exemplifies an outstanding GFWC Maryland clubwoman. This award was originally sponsored by Edith Klein, Honorary State President 1978-1980 and the first award was presented to Barbara Pillote, May 1979. Please think about your members and honor one of them by sending a letter of endorsement to our state president telling why your club values your member's dedication, time and talents. Every club has more than one person who might fit the criteria of this award. Please take the time to honor one of your members this year and send your entry by March 1, 2019. Please have your club choose a nominee now and follow the guidelines to complete the coversheet and narrative entry form.

Please take the time to honor one of your members this year and send your entry by March 1, 2019.

All entries must be postmarked to
Dottie Gregg, GFWC Maryland President
by March 1, 2019

Outstanding GFWC Maryland Clubwoman Award Rules

1. Nominees must be members in good standing of a general club of the GFWC Maryland Federation of Women's Clubs, Inc.
2. Ineligible members are: the current members of the GFWC Maryland Executive Committee, honorary GFWC Maryland State Presidents, former recipients of the award, and junior club members as the GFWC Maryland Juniors present their own Outstanding Junior Clubwoman Award each year.
3. Only one nominee per club may be submitted. We recommend polling of all members to help choose your honoree.
4. The COVER SHEET must be fully filled out and signed to be eligible.
5. A separate page of narrative must be included containing 500 words or less, (typed, double spaced) explaining why the club believes the member is deserving of this award. Judging will be based on the nominee's work in GFWC Maryland with the main emphasis placed on club sponsored activities accomplished in the year preceding the nomination. Additional background including club involvement over the years, along with any district and state activities may be included that indicate a strong, continuing interest in the Federation. In order for nominees to be anonymous during judging, the name of the nominee and the name of her club, and dates of service must be omitted from the main body of the narrative.
6. The State President will number each entry and send copies of the numbered and anonymous narrative pages to the chairman of the OMC committee who will distribute copies of the numbered pages to her committee and ask for their top choice. The chairman will advise the State President of the number of award recipient and be given the names so she can make arrangements to honor each of the club nominees during the annual state convention and present of the award to this year's Outstanding GFWC Maryland Clubwoman.
7. To be eligible, all entries must be postmarked by March 1, 2019. Please mail to:

Bettie M. Sippel Memorial Endowment Fund

Does your club have a line item in its budget for a contribution to this fund? When your club wants to honor a member of your club does it ever consider a contribution to this fund? CHESAPEAKE DISTRICT REPORT

Clubs of the newly formed GFWC Chesapeake District, Inc. have been busy adjusting to new titles and assignments:

Cecil County club's focus is on providing educational and community volunteer opportunities for its membership; increasing fund raising activities and educational scholarship grants and increasing membership with a drive and event scheduled for the Spring. We will continue to support the CCPS Winter Art Exhibit and sponsorship of the Student Artists' Reception and Awards.

Dundalk hosted the successful inaugural Board of Directors meeting of our new district. They welcomed five new members bringing new energy and spirit to the club. Members look forward to supporting the HOBY, Angels Supporting our Troops, Save the Bay and various community outreach projects.

Glyndon is looking forward to the Annual Charity Tea at the clubhouse to benefit a wide variety of charities in their community. Spring tea features award-winning actress and Smithsonian scholar Mary Ann Jung, portraying one of the many female characters in her repertoire. The year started successfully by supplying school supplies for students in need.

Greater Fallston reports the club supporting projects benefiting veterans such as shoe boxes with essentials and goodies; clothing and a donation to the VA hospital for use at Christmas. They also support Anna's House, a shelter for abused clients with special gifts on Mother's Day and are looking forward to the monthly dinner meetings held at various restaurants in the area.

Joppatowne has a goal of recruiting new members by leveraging club accomplishments. They will continue with road cleanup, provide breakfast twice yearly for the Sheriff's department, host a Mother's Day dinner at Anna's House, a shelter for abused women, fundraise for scholarships for high school students, and continue projects supporting veterans. The club looks forward to their Annual Tea and Bingo fundraisers.

Linthicum Heights' major fundraisers will be Holly Mart, Gala, Prayer Breakfast, Bingo and Quarter Auction. Spring Tea will feature members' adopted tables with a theme. HOBY student sponsorship and a new

teacher appreciation project for elementary schools will be supported.

Myrtle continues supporting a local food pantry and TurnAround, a shelter for women, with cleaning and paper supplies as well as personal items. Seasonal arrangements are placed at the Believe in Tomorrow House at Johns Hopkins Hospital and tray favors are made for Meals on Wheels clients once a year.

Perry Hall - Tanya Kenny, daughter of a 50+ year club member, is the new president. The club supports Community Baskets and the Eastern Family Resource Center with volunteering. Scholarships and Youth Art program at the middle school level are sponsored. They collect box tops for education and pull tab for Ronald McDonald House.

Pocomoke Juniors continue to juggle work, family and community service. They will transition to a new club president in the Fall and later forge ahead with its annual and ever-popular Miss and Little Miss Pocomoke Pageant.

Severn Town is looking forward to the 55th Holly Ball benefiting the Summit School and other community organizations. It also supports Arden House, a domestic abuse shelter; HOBY students, Youth Art and researching a conservation project to sponsor.

Southern Lights members look forward to traveling to Southern Maryland for a meeting this year to assure attendance of all four members.

Town & Country Club of Greensboro started the year with angels and doggies. Clip angels from the 2018 Convention memorial service for two members were forwarded to each of their families. Additional angels were distributed at various community functions such as "Greensboro Goes Purple", an event to increase awareness of opioid abuse. Members collect cloth bedding for Caroline County Humane Society.

Wicomico presented a check to the Community Foundation of the Eastern Shore, earmarked for Women's Programs and Scholarships, in honor of Jo Rousseau, 32 year member and past Honorary MD President. In April 2019, the club will celebrate its 98th anniversary of federation.

LEADERSHIP

Cynthia Dykes, Leadership Chair

Leaders are vital for the continued success of our clubs. Always remember, leaders are not just born -- they can be created with care, support and mentoring from current leadership. GFWC has one of the best “incubators” for rising and future leaders with the LEADS program. It provides knowledge and instills confidence in a person, both essential leadership qualities.

Each state in GFWC is eligible to send an attendee to this seminar which is held each year usually, the day before the GFWC International Convention begins. GFWC demonstrates its commitment to training future leader by funding a portion of the candidates’ expenses. In addition, the Maryland Federation provides a stipend to help defray expenses. LEADS candidates are asked to be responsible for a portion of their expenses as an affirmation of their personal commitment to their leadership development and training.

I encourage anyone interested in the program to apply. Additionally, I urge each of you to encourage those members of your clubs who you see as your leaders of tomorrow to apply. Information along with the application for the LEADS program is included in this issue and is also available on the state website. Please give it due consideration.

Deadline for applying is February 1, 2019.

EPSILON SIGMA OMICRON

Jennifer Adkins, ESO Chair

Many times we hear that Maryland is like a miniature United States. We have the beaches and oceans, the flat lands, the rolling hills, and the mountains. We also have many accomplished authors and books with Maryland settings. What books have you read with a Maryland connection? As the ESO MD Chairwoman, I am compiling a list of such books. My club’s book group recently chose to read Sea Swept by Nora Roberts. It was set on the Eastern Shore and had many references to the waterways and towns in the area. Dinner at the Homesick Restaurant by Anne Tyler is also on our book list. It is set in Baltimore and follows the trials of a local family. Later this year, we are going to read The Letter Writer by Dan Fesperman, who is a Maryland author. Our list does include other titles, such as Susquehanna by Harriet Segal, Code Girls by Liza Mundy, and Next Year in Havana by Chanel Cleeton. These titles were chosen because of member suggestions, magazine articles, family book collections, and community recommendations. How do you, or your book group, choose what to read?

As with everything in life, not everyone is going to like every book on the list. But, many topics are touched upon in every book. Discussing a book, whether you enjoyed it or not, is a great way to see other peoples’ points of view, learn about history, science, technology, arts, or bring an emotional topic to the forefront. What someone may think is a simple “beach read” may bring up family or social issues that need to be thought about and discussed, or may lead to a potential change in your life or community.

FUNDRAISING

Christy Swiger, Fundraising Chair

Congratulations to all our GFWC-MFWC Clubs and Clubwomen! All your outstanding fundraising ideas, events, and especially your awesome reporting skills have paid off tremendously. Our State won the GFWC Fundraising Award for Category III for the 2017 club year. This great news was announced at the recent GFWC Convention in St. Louis this past June. All MFWC Presidents should have gotten their fundraising packets at our state meeting that provides many ideas from other clubs. Creative new ideas for fundraising as well as the traditional ‘tried-and-true’ events are alive and well in Maryland.

I am extremely proud to be your State Fundraising Chairman. As always, if there is any desire for items that I can sell to assist you in your personal gift giving or needs for your clubs, please contact me at specht21@aol.com or 301-461-8986.

GFWC SIGNATURE PROJECT: DOMESTIC VIOLENCE

Norma Jean Swam, Domestic Violence Chair

Children and families are affected by sexual assault, crime and violence every day. The outcome of violent acts on an individual have lasting effects which can lead to very risky behavior like human trafficking, mental illness, disease and even death. Therefore, our Maryland clubwomen need to become warriors for these victims. We need to be diligent about educating ourselves and the local community about the rise of violence in homes, workplaces and schools. According to the article from MD Domestic Violence entitled *Get the Facts*, the statistics are disheartening:

- **46 domestic violence related deaths in Maryland**
- In 2017 one day, 956 domestic violence victims were served in Maryland
- in 2016 1,784 temporary protective orders were administered and 1,308 final protective orders served

Here are some ways the Maryland clubwomen can make a difference:

- **Invite your local Family and Children Services Director to your meeting and find out how your club can support their cause.**
- Some victims are willing to share about their ordeal dealing with abuse, be very sensitive to their needs if they speak to the club or at a community forum.
- Keep your club informed using media, newsletters and emails about the needs of victims in your community, the local safe houses do run out of items.
- Rape Crisis Intervention Service personnel provide sexual assault survivors with undergarments at the hospital after theirs are taken for testing. **Your members could have a shower at one of your meetings to collect these needs.**
- invite someone from the Maryland Human Trafficking Task Force. Their contact information is <https://www.mdhumantrafficking.org>

JUNIOR'S SIGNATURE PROJECT: ADVOCATES FOR CHILDREN

Trisha Wagman, Advocates for Children Chair

There are some great projects your clubs can do with one of our GFWC Partners March of Dimes during these fall and winter months.

Military Mommy Bags are a perfect way to support women in the military who are starting or growing a family. Care packages provide them with beneficial materials, as well as a sense of being appreciated. Encourage club members to bring items to a club meeting and assemble the bags together there. Personal notes make great additions to the bags as well. You can also support March of Dimes through **Healthy Baby**, which helps military moms-to-be. High stress levels are dangerous for both moms and babies. To give back to those who have given so much, they created the program to provide free information and support services for military families. They also kicked off a new initiative, **Blanket Change**, in October. It is a powerful campaign seeking to highlight issues related to maternal and child health, and particularly to maternal mortality. Here's how to support the #BlanketChange campaign:

- Take photos/video with a blanket and post to your social media accounts with your story with the hashtag #BlanketChange. Encourage your friends to do the same!
- Share stories and the #BlanketChange video
- Go to the March of Dimes website for information on this project <https://www.marchofdimes.org/blanketchange>
- Contact your legislators through Phone2Action at [marchofdimes.org/blanketchange](https://www.marchofdimes.org/blanketchange) and urge your friends to do the same

The campaign will continue into November with March of Dimes Prematurity Awareness Month Activities.

Together we can create #BlanketChange!

MEMBERSHIP

Beverly Death, Membership Chair

The whole Advancement Guide, a guide about recruitment and membership can be downloaded by going to <https://www.GFWC.org/membership> club manual. Some examples from the guide are listed below.

- The first part is Marketing GFWC. This section includes various speeches which promote GFWC Marketing.
- Membership Retention and how to engage your Membership to keep them interested.
- There are electronic newsletters from GFWC Committee Chairmen with expert suggestions for getting the most out of all aspects of club work.

GFWC and The Maryland Federation want to recognize and award membership. There are 5-, 10-, 20-, 25-, 30-, 40-, 50-year pins, with the 50-year as gold and the 25-year as silver. If you are interested in getting a pin, speak with me. We also want to celebrate Club Anniversaries. Club Presidents, please let me know of any Club Anniversaries so we can celebrate at our Convention this year. We need to send a quarterly report to GFWC for their 2018-2020 recruitment campaign. I need the Club Presidents or their Membership Chairmen to send the contact information of all their new members in to me at beverlydeath@gmail.com. I am happy to say GFWC Woman's Club of Linthicum Heights has 8 new members and GFWC Woman's Club of Dundalk, Inc. has 5 new members.

TREE-MENDOUS MARYLAND

Julie Gibbs, Tree-Mendous Maryland Chair

Celebrate National Arbor Day on April 26, 2018 by making a donation of \$40.00 to the Tree-Mendous Maryland Program. Order trees on-line or by mail. Remember to indicate on the order form that you are a member of GFWC MFWC. It is as easy as that and your project is done. This program kicks off the planting season on the first Wednesday in April. Maryland has a new planting area in the Elk Neck State Forest in Cecil County. This is the first Arboretum in Cecil County that is designed for use as an outdoor classroom. There are 52 different species of native shrubs and trees identified along the ½ mile easy walking trail. Check out the dnr.maryland.gov/forest website for information on your county forest. Give your members the opportunity to hear a speaker from DNR or just enjoy an outdoor picnic area and walk along a guided trail. Just like that another Conservation program done. GFWC International President, Mary Ellen Brock has challenged all members to participate in one of the "7 Grand Initiatives" projects for 2018-2020. One of these projects is to "plant 1,000 trees on Arbor Day. With the participation of our members in the Tree-Mendous Maryland Program, we can make a contribution towards her goal of 1,000 trees planted. Yes, Maryland can do this!

Happy 50th Anniversary to the Chesapeake Bay Foundation!

Did you know that The Chesapeake Bay Foundation is celebrating their 50th Anniversary this year?! The truly fantastic part? The Maryland Federation of Women's Clubs has been supporting the foundation and Saving our Greatest Natural Resource for 34 years. I hope that all of you are aware of the impact our involvement has made!

Helping to Save the Bay is an easy project for our clubs to participate in. I am challenging all our clubs to assist in celebrating this 50th Anniversary of the foundation. I ask that you consider donating to the foundation during the 2018 and 2019 club years. Any donation is terrific, but to those of you that donate \$50 dollars or more will receive a special gift from me at convention. I appreciate all the clubs that have made donations. **At this time, only five clubs have contributed to the Bay in 2018.** Please help me get 100% participation. We can do this!

Please make donations out to "Chesapeake Bay Foundation" and mail them to me.
